Explore Your North Coast Parks

A World Heritage Site

This combined exhibit showcases the biodiversity of cultural and natural resources in the world's most beloved cultural or natural site. The exhibit is divided into three sections: the Americas, the Pacific, and the Middle East. Each section features a large display of artifacts, photographs, and interactive exhibits. Visitors can learn about the history, culture, and current issues facing each region.

Explore Your North Coast Parks

A World Heritage Site

This book contains information about the North Coast of California and the various parks and landscapes located there. It is intended to be a guide for visitors interested in exploring the region.

Redwood National & State Parks

Redwood National & State Parks is a collection of protected areas located along the Northern California coast. The parks include Redwood National Park, Prairie Creek Redwoods State Park, and Del Norte Coast Redwoods State Park.

Redwood National Park

Redwood National Park is a UNESCO World Heritage Site and is known for its giant redwood trees. The park is home to a variety of wildlife, including black bears, deer, and elk.

Prairie Creek Redwoods State Park

Prairie Creek Redwoods State Park is also located along the Northern California coast and is known for its large redwood trees. The park is home to a variety of wildlife, including black bears, deer, and elk.

Del Norte Coast Redwoods State Park

Del Norte Coast Redwoods State Park is located along the Northern California coast and is known for its large redwood trees. The park is home to a variety of wildlife, including black bears, deer, and elk.

Save-the-Redwoods League

The Save-the-Redwoods League is a non-profit organization dedicated to the preservation of redwood forests. They work to protect these unique and valuable ecosystems.

Park Rules & Reasons

- Parking is strictly enforced in all parks. Failure to comply with parking rules may result in fines or other penalties.
- Pets are allowed only in designated areas. Dogs must be on a leash and not allowed on trails.
- Fires are only allowed in designated fire pits. Fire rings must be used.
- Smoking is not allowed in any park area.
- No littering is allowed in any park area.
- No camping is allowed in any park area.

Archeological & Geological Features

- All visitors are encouraged to explore and learn about the archeological and geological features of the parks. However, no visitors are allowed to remove these features.

Published by

North Coast Redwood Interpretive Association

The NRCA is a nonprofit, volunteer organization dedicated to preserving and interpreting the redwood forests of the Northern California coast. They work to promote an understanding of the natural and cultural values of these forests.
